Register Page for The Receiver of the Vaccine Dose.

1. Exception for First name:

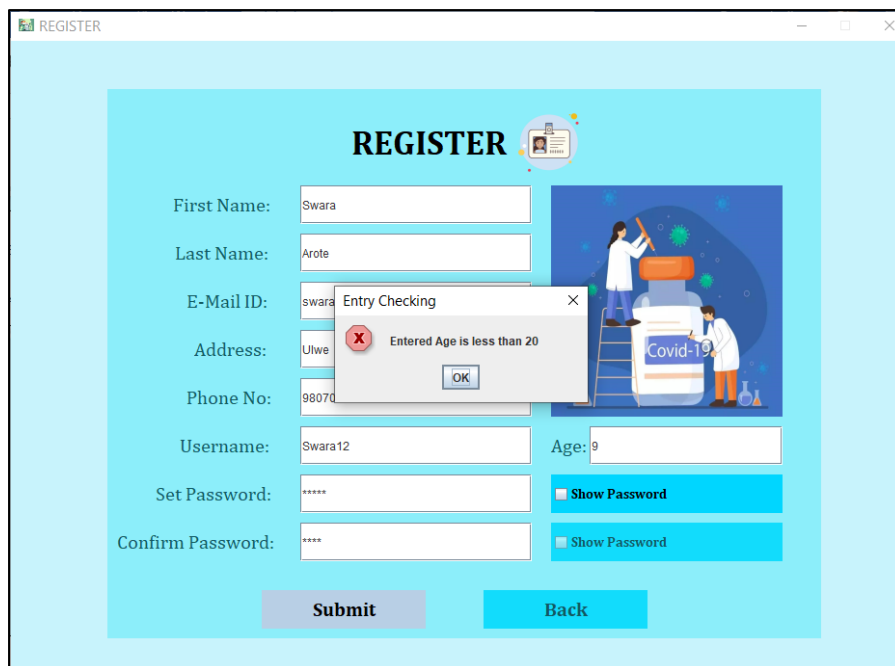

The screenshot shows a web browser window titled "REGISTER". The page has a light blue background with a central registration form. The form fields are: First Name (1Swara), Last Name (2Arote), E-Mail ID (swara), Address (Ulwe), Phone No (98070), Username (Swara12), Age (9), Set Password (*****), and Confirm Password (****). There are "Show Password" buttons next to the password fields. At the bottom are "Submit" and "Back" buttons. An illustration on the right shows two people in lab coats working with a large vaccine bottle labeled "Covid-19". A modal dialog box titled "Entry Checking" is open in the center, displaying a red "X" icon and the message "Entered First Name Contains Digit". The dialog has an "OK" button.

2. Exception for Second name:

The screenshot shows the same "REGISTER" page as above, but with an exception for the last name. The modal dialog box titled "Entry Checking" now displays a red "X" icon and the message "Entered Last Name Contains Digit". The "OK" button is still present.

3. Exception for age:

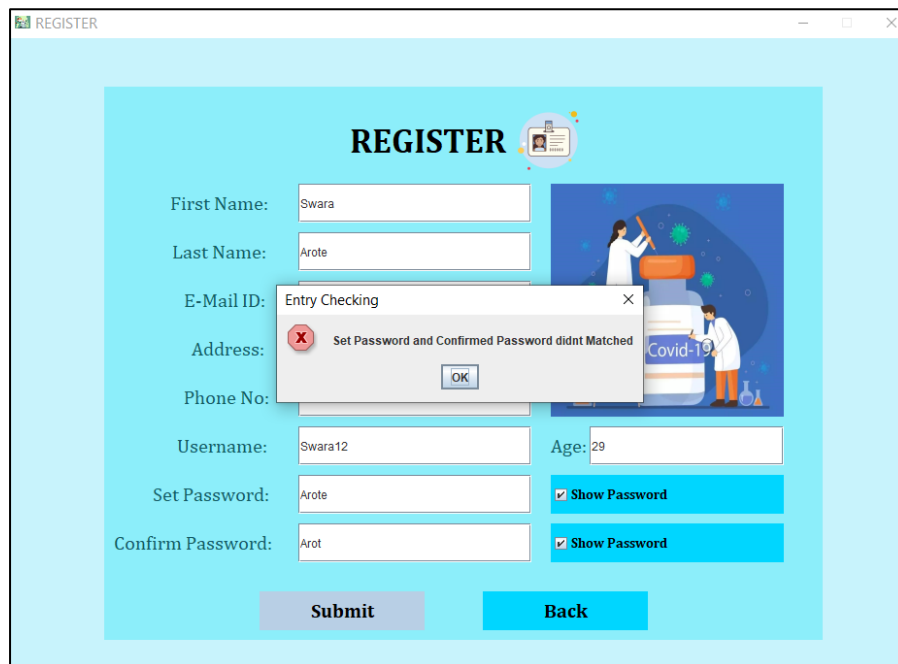

The screenshot shows a web browser window titled "REGISTER". The form contains the following fields: First Name (Swara), Last Name (Arote), E-Mail ID (swara), Address (Ulwe), Phone No (98070), Username (Swara12), Age (9), Set Password (*****), and Confirm Password (****). There are "Show Password" checkboxes for the password fields. A "Submit" button is in a grey box, and a "Back" button is in a blue box. An "Entry Checking" dialog box is open, displaying a red error icon and the message "Entered Age is less than 20" with an "OK" button. The background features a COVID-19 illustration.

4. Exception for Phone Number:

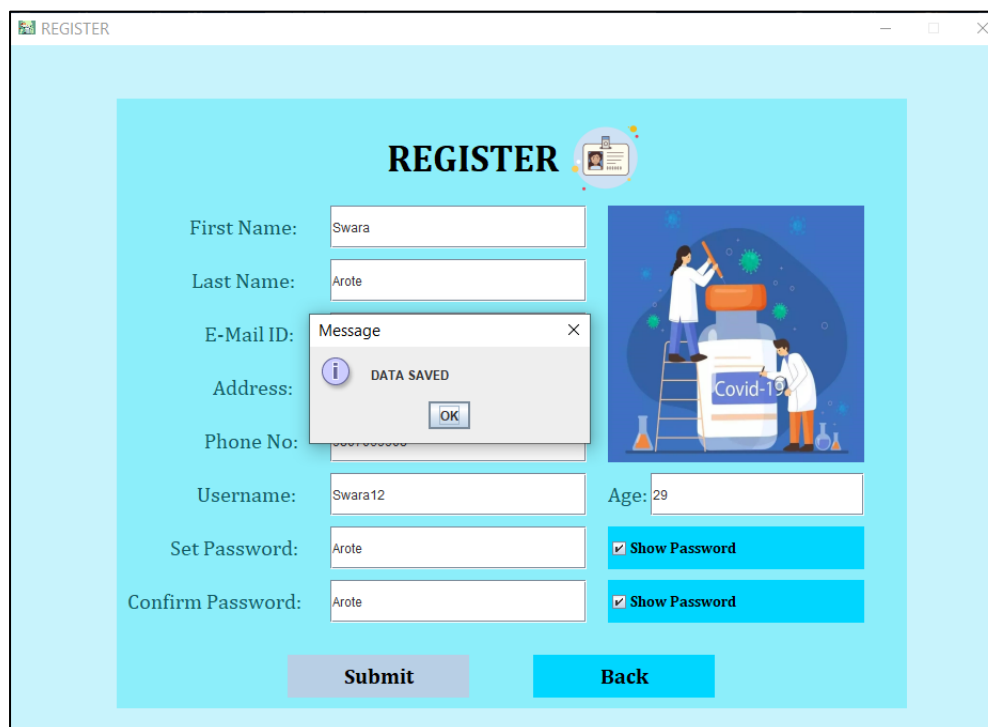

The screenshot shows the same "REGISTER" form as above, but with the Phone No field containing "98070". The "Entry Checking" dialog box now displays a red error icon and the message "Entered Phone Number Doesnt have 10 digits" with an "OK" button. All other fields and the form layout remain identical.

5. Exception for Confirm and set Password:

The screenshot shows a web browser window titled "REGISTER". The form contains the following fields: First Name (Swara), Last Name (Arote), E-Mail ID (empty), Address (empty), Phone No. (empty), Username (Swara12), Age (29), Set Password (Arote), and Confirm Password (Arot). There are checkboxes for "Show Password" next to the password fields. A modal dialog box titled "Entry Checking" is displayed in the center, showing a red error icon and the message "Set Password and Confirmed Password didnt Matched". At the bottom of the form are "Submit" and "Back" buttons. The background features a blue gradient with a COVID-19 illustration.

Data Saved:

The screenshot shows the same "REGISTER" form as above, but with a modal dialog box titled "Message" displayed in the center. The dialog shows a green success icon and the message "DATA SAVED". The form fields remain the same, and the "Submit" and "Back" buttons are still visible at the bottom.
